### Customer Journey Map

Map out the customer's experience stage-by-stage, capturing their actions, touchpoints, thoughts, and feelings, along with process ownership and improvement opportunities at each stage.

| Phase of Journey        | Stage 1 – Application                                                                                                                                                 | Stage 2 – AI Prediction                                                                                                                                  | Stage 3 – Result & Decision                                                                                                                                   |
|-------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Actions</b>          | <ul style="list-style-type: none"> <li>• Opens Smart Lender website</li> <li>• Enters personal &amp; financial details</li> <li>• Submits loan application</li> </ul> | <ul style="list-style-type: none"> <li>• AI processes applicant data</li> <li>• Model analyzes eligibility</li> <li>• Prediction is generated</li> </ul> | <ul style="list-style-type: none"> <li>• Views loan prediction</li> <li>• Downloads report</li> <li>• Decides whether to proceed with loan</li> </ul>         |
| <b>Touchpoint</b>       | <ul style="list-style-type: none"> <li>• Home Page</li> <li>• Login Page</li> <li>• Loan Application Form</li> </ul>                                                  | <ul style="list-style-type: none"> <li>• AI Prediction Engine</li> <li>• Machine Learning Model</li> <li>• Database</li> </ul>                           | <ul style="list-style-type: none"> <li>• Result Page</li> <li>• Dashboard</li> <li>• PDF Report</li> </ul>                                                    |
| <b>Customer Thought</b> | <ul style="list-style-type: none"> <li>• Is my information correct?</li> <li>• Will my application be accepted?</li> <li>• Is my data secure?</li> </ul>              | <ul style="list-style-type: none"> <li>• Is the AI prediction accurate?</li> <li>• How long will it take?</li> <li>• Can I trust the result?</li> </ul>  | <ul style="list-style-type: none"> <li>• My loan was approved/rejected.</li> <li>• What should I do next?</li> <li>• Can I improve my eligibility?</li> </ul> |
| <b>Customer Feeling</b> | <ul style="list-style-type: none"> <li>• Hopeful</li> <li>• Curious</li> <li>• Slightly nervous</li> </ul>                                                            | <ul style="list-style-type: none"> <li>• Anxious</li> <li>• Excited</li> <li>• Waiting for results</li> </ul>                                            | <ul style="list-style-type: none"> <li>• Happy if approved</li> <li>• Disappointed if rejected</li> <li>• Confident with quick AI feedback</li> </ul>         |

| Process Ownership | <ul style="list-style-type: none"> <li>• Customer</li> <li>• Smart Lender Web Application</li> </ul>                                            | <ul style="list-style-type: none"> <li>• AI Prediction System</li> <li>• Machine Learning Model</li> </ul>                                                         | <ul style="list-style-type: none"> <li>• Smart Lender Dashboard</li> <li>• Banking Decision Support</li> </ul>                                                                      |
|-------------------|-------------------------------------------------------------------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Opportunities     | <ul style="list-style-type: none"> <li>• Simplify application form</li> <li>• Improve user interface</li> <li>• Add input validation</li> </ul> | <ul style="list-style-type: none"> <li>• Increase prediction accuracy</li> <li>• Reduce response time</li> <li>• Improve explainability of AI decisions</li> </ul> | <ul style="list-style-type: none"> <li>• Enable PDF report download</li> <li>• Send email/SMS notifications</li> <li>• Provide personalized loan improvement suggestions</li> </ul> |
